Personality Test

The Tops Internship is designed to be a challenging and formative adventure. The main features of the internship: living onsite, working, study and camp experiences, are designed to highlight and challenge individuals on the lifelong journey of growing, changing and becoming more like Jesus.

In order to help us get a deeper understanding of applicants, we ask that you take a quick personality test and attach a screenshot of your results.

Use the link provided to access a free version of the Enneagram Test.
